NOTICE TO ALL UNIVERSITY PERSONNEL, COLLEGES, DIVISIONS, SCHOOLS, DEPARTMENTS AND SECTIONS

Line Managers are requested to print a copy of this document for display in a prominent position in their College/Division/School/ Department/Section and to bring it to the attention of staff members who do not have access to Microsoft Outlook

It is imperative in light of the 2020 December year end closure, that instructions for Legal Services to process contracts be submitted timeously and **by no later than close of business on Tuesday 15 December 2020**. This is especially applicable where the proposed contract commencement is **02 January 2021** or sometime during the course of that month. Your cooperation with this request will assist Legal Services to attend to the instruction timeously to ensure that the contract is finalized prior to the intended commencement date.

Legal Services will take no responsibility for late finalization of a contract occasioned by incomplete or late referral instruction received after the time stated above. You are advised that a late referral of a contract for processing, with a consequent late finalization may cause prejudice to the contracting parties (the University included). You may be liable for this prejudice; Legal Services will take no responsibility for any liability occasioned by it.

You are reminded that all proposed contracts and memorandums of understanding have to be referred to Legal Services for processing via the University's electronic contracts management system. The processing commences with the completion of the online referral form. To access this form kindly refer to the following address:
